

Birding Festival of the Keys B.E.A.K.S

Sept. 21-25, 2017

Marathon, Fl. Holiday Inn Express

BIRD & EXPLORE AN UNIQUE ENVIRONMENT

Fall migration is THE time to be in the Florida Keys. Hawks are streaming south, migrating songbirds are filling the trees and Keys specialties can be found. Full day field trips, birding trips, species workshops, lectures, keynotes, boat, kayak and pelagic trips will fill your days. Gain advanced skills and life birds to your list. Join Florida's TOP GUIDES and BIOLOGISTS in this exciting weekend of birding, learning and fun.

**TARGET SPECIES-Magnificent Frigatebird, White-crowned Pigeon
Black-whiskered Vireo, Mangrove Cuckoo, Reddish Egret, Great
"White" Heron, Migrating Warblers, Songbirds & Raptors**
